

'Step Up 2 Uni'

An event for care experienced young people in Year 11 and 12

Wednesday 20 April 2016

10.00am – 3.00pm

University of Salford

Clifford Whitworth Conference Centre (Main Campus)

Are you care experienced and in Year 11 or 12 at the moment? Would you like to find out more about Higher Education? Come along for an informal visit and a chance to discover what it could offer you. This event is being jointly organised by the Higher Education providers in Greater Manchester and will provide information on the support they each offer.

Are you interested in finding out more about University and the support available?

The Higher Education providers in Greater Manchester are putting on a fun joint information day to give you the opportunity to find out more about university and the support available for young people. The event will include:

- Input from Care Leavers who are now at university – talking about their experiences, the challenges they face and what made a difference to them.
- Information on the support available from universities and colleges, both before students apply and once they get into university
- Meet the Student Union and take part in some exciting activities!
- A free lunch and refreshments

There will also be an opportunity to tour the campus and chat informally to both the Care Leavers and other people at the event.

Carers, teachers, social workers and key workers are welcome to attend with the young people
