

The Coram Voices Through Time Team (VTT) is offering a series of online creative writing workshop sessions to help young people reach out from Lockdown, meet some new people and work on a project together. The theme is sharing life experiences through letters – past, present and future.

Sessions will be taking place via Zoom between 5.30pm and 6.30pm on:

- **Tuesday 5th May**
- **Tuesday 12th May**
- **Tuesday 19th May**
- **Tuesday 26th May**
- **Tuesday 2nd June**
- **Tuesday 9th June**

The coronavirus pandemic has made us all part of an important time in history. What is happening now will be taught in schools and universities around the world long after we have gone. But that's not much comfort when young people are feeling bored and isolated, and going stir crazy.

For more details and for young people to sign up please follow the below link:
